

# Holding your Wedding Reception at Great Aine & Kinwarton Memorial Hall

Unlike many other venues we do not inflate our charges for weddings. In fact we do a special rate of £425 for hire of the hall from Friday lunchtime until Sunday evening, leaving plenty of time to set up and clear away afterwards. The package also includes free use of our audio/visual equipment and a drinks licence if needed.

Included in the price is use of the following:

- 100 upholstered chairs
- 18 x large fold-up rectangular tables (6' x 2' 3")
- 5 x small rectangular tables (3' x 2' 3")
- 60 plastic stacking chairs
- Glasses (Beer, Wine and Tumblers) enough for roughly 100 people
- Professional quality kitchen with the following equipment:
  - Gas hob with large electric oven
  - Boiling water geyser
  - Bain Marie for keeping food hot
  - Small microwave
  - Rapid dishwasher (4 minute cycle)
  - Various pots and pans including large catering size pans
  - Electric kettle
  - Cutlery for at least 100 people
  - Fridge Freezer
  - An additional larder fridge in the committee room
- Audio mixing desk with PA system, wireless microphones and Bluetooth connectivity
- Video data projector and screen

The premises themselves consist of the main hall, raised at one end with a stage area, kitchen facilities as detailed above, with a serving hatch through to the main hall and an additional meeting room with a hatch, ideal to be used as a separate bar

The hall has Ladies and Gentlemen's cloakrooms and a separate disabled toilet

At the front of the hall there is extensive car parking with enough space to erect a marquee to extend the size of the Hall if required.

There is a large sloping grassy area suitable for guests if the weather permits

At the rear there is a large paved memorial garden with a raised shrubbery.

There is easy access to the Memorial garden from the hall via bi-fold doors.
